Charter Renewal - On Time & Error Free

1. Pre-Charter Renewal - important steps before logging in.

- Inventory your members and collect fees. Collect BSA registration fee & Boys Life subscription fee from each youth and adult that will be continuing their membership. Annual membership fee is \$33 per youth and adult. Boys' Life fees are \$12 a year. Your unit committee may choose to pay these fees from funds raised during the year.
- Secure completed membership applications, including required signatures, for all new youth and new adult members. Adult applications must include a signed Disclosure/Authorization Form and include proof of having completed Youth Protection Training. If an adult is changing positions within the unit, a new application is not required during charter renewal.
- **Youth Protection Training** is required for all BSA volunteers. Youth Protection Training must be taken every two years. If a volunteer's Youth Protection Training record is not current, the volunteer will not be reregistered and it will cause a delay with your charter renewal.
- Be sure you have your 9-digit unit access code. You will need this to begin the charter renewal process online.

My unit's 9-digit unit access code:

*Note: This access code changes every year. Please use
The access code listed to the right.....*

2. Start Charter Renewal Online at www.Samoset.org.

Go to www.Samoset.org to access the **Online Charter Renewal** system. The link is located under the tools drop-down, Charter Renewal. **Complete the steps for online charter renewal.**

- Select "First Time User" and enter the units 9-digit unit access code
- Select unit type (Pack, Troop or Crew) and enter the four-digit unit number (Example: 0627).
- Create a password as instructed. (If you forget your password, call us at 715-355-1450.)
- Complete the information on each screen. You can stop at anytime, log out of the system, and begin again where you left off. To do so you will need to log in again as a "returning user", using your access code and your password. Be sure to update all contact information for adults and youth during this process, especially email addresses for adult leaders. Thank you!
- When you have completed all the information to recharter the unit, click the "submit" button.

Note: You are not done with the charter renewal process yet

3. Complete the Journey to Excellence Scorecard for Your Unit.

Work with your unit leader and committee to complete the 2019 Journey to Excellence Scorecard for your unit. Your Unit Serving Executive or Unit Ambassador can help with this process.

4. Turn-In (See turn-in location dates and times on page 1)

Gather all completed paperwork, Charter Renewal Application, youth applications, adult applications, and 2019 Journey to Excellence Scorecard. Turn-in all paperwork, with payment, at your **Charter Renewal Turn-In** event.

Helpful Hints

- Don't skip steps. The pre-charter renewal steps are vital to success!
- When uploading the unit information you have options, loading council information is best!
- Be sure accurate email addresses are listed for all adults.
- **Do not** change existing members' names with someone else's name.
- AVOID using nicknames. Use the person's given name.
- A chartering organization that charters more than one unit must have the same Executive Officer and Chartered Organization Representative on all units.
- Social security numbers will be added by Council Registrar.
- You will need Adobe Acrobat Reader to view the final print version of the charter renewal application. It can be downloaded from the charter renewal site.
- Once you are finished, print the summary and full report of your charter renewal paperwork. Check page one. It will list the new youth and adults which require applications. These need to be turned in with your charter renewal paperwork.

Membership Fees:

- Annual membership fee is \$33 per youth and adult. Boys' Life fees are \$12 a year.
- Two options for charter renewal authorization:
 1. Online authorization & payment (additional fees assessed).
 2. Print, gather signatures and turn-in.
- Membership cards will not be sent out. These cards can be printed from *my.scouting* tools.

Please Note:

- **New Position for Registration of 18 to 20 year old youth members:**
A new position for registering 18 to 20 year old youth members has been added. With the chartering of Girl Troops this past year, the opportunity to advance to Eagle Rank is available to young women and men over age 18. This will allow them to continue registration with extended Eagle eligibility. The position, **Unit Participant** (code **UP**), will also support Troop and Pack registration of Special Needs members who will participate as youth after reaching age 18. For Pack use, UP is found on the Webelos Program position pick list. Persons who join as Unit Participants or change from Youth Member to Unit Participant must submit the Adult Application with the disclosure page and youth protection training completed. **This position is modeled on Venturing Participant (VP) and will follow processes that have been used since March 2015.**
- Any unit losing more than 50% of their 2019 membership or any unit with less than five registered youth will require the approval of the Scout Executive before the charter will be processed.

The 2020 Registration Fees

Annual registration fees are set by the Boy Scouts of America.

Youth & Adults: \$33 Boys' Life Subscription: \$12
