Dear 2023 NYLT Participant:

Congratulations on signing up to attend the National Youth Leadership Training Conference at Hanna Venture Base near Rhinelander, June 11 - 17, 2023.

Check-In begins at 10:26 a.m. on Sunday, June 11th.

For check-in, please wear your uniform shirt AND have your completed medical form in your hand and all medications in a 1 Gallon Zip Lock bag with Scout's name.

Check-In CLOSSES at 11:43 AM.

Parents, family, and Scoutmasters are invited to attend the **Graduation Ceremony on Saturday, June 17th STARTING AT 10:00 a.m. SHARP, also at Hanna Venture Base.** Have your ride ready to pick you up by 10:45 a.m. You will NOT be served lunch on Saturday June 17th.

At NYLT 2023, you will have a chance to learn and try out many new challenges that you can use in the program of your own troop, patrol or crew. There will be plenty of handouts. **Therefore a 3-ring binder [1-1/2"] is essential, along with paper and pens/pencils - be prepared to take notes!**

You and approximately 60+ other Scouts from throughout Samoa Council and beyond will be living, camping, and working together as members of a patrol of 5 - 8 Scouts. A Youth Staff has been recruited to direct this training.

Please remember that NYLT is a Leadership Skills Development program and **NOT summer camp**; there will be no chance to work on advancement requirements, and very little "free time." This means, don't even bother bringing fishing gear or other recreational equipment -- you will not have an opportunity to use them.

You will be evaluated throughout the week on your skills, leadership ability, overall performance, improvement, and many other factors. **Exceptional participants might be asked to apply to join NYLT Staff in 2024.** If you feel that you are exceptional during the course or would like to be on staff, make sure to apply to join our staff for 2024. We expect that you will grow as a Scout and demonstrate the fine qualities that your Scoutmaster and unit adults saw in you when they recommended you for the course; as such, we expect you will be a SCOUT and that you will take an active, productive part in the training.

Besides this letter are several other documents which are on the council website. Please follow the instructions below regarding each one.
