Parents / Guardians of above Scout:

Your support and assistance is necessary for them to be successful as a Youth Staff member of NYLT. This may require some sacrifice and alteration of normal family schedules.

ALL dates in February, March, April, May and June later in this letter are **essential** and do **require attendance** at all planned training events. Experience has shown us that missing any of the dates impedes the continual improvement of the Scout and NYLT team bonding is negatively impacted ! You understand that you will have to arrange transportation to Wausau and Rhinelander for your Scout to attend these trainings. You also understand that there will be expenses directly related to being selected for staff. The required expenses are about \$50.00. Additional apparel that is optional could run an additional amount up to about \$75 - \$100. Minimal spending money may also be needed. A complete current Scout uniform is also needed and is not included in the costs.

PARENT / GUARDIAN NAME, COMMITMENT AND SIGNATURE

I / We consent to having our Scout as named on front side / page, be considered for a 2017 NYLT Samoset staff member. In the event that our SCOUT is selected for this NYLT Staff position, **we understand** that some expenses will be incurred and that we may have to alter plans, barring emergencies, so that our Scout can **attend all trainings** as indicated within this letter. Most trainings are held on the weekends beginning Friday night about 8 pm and concluding Sunday around Noon. The first training is on a Saturday only [7am-7pm] on Feb 18.

Thank you both Scouts and Parents for your interest in joining NYLT. This is an immense undertaking and will require much extra work, from all of you, in order to be successful.
