THINGS YOU SHOULD KNOW ABOUT SCOUTING

Scouting has been teaching youth to appreciate the outdoors, learn how to work with others and make new friends since 1910. Cub Scouting is for boys and girls in grades K through 5. Each Scout is a part of a den of 6-8 boys and girls that meets several times a month. Scouting is open to every boy and girl, and you can join at any time. For more information, contact the leader listed below or visit www.samoset.org/join
