Camp Tesomas -- a Camp Really Worth Seeing

JAMBOREE GATEWAY -- Built originally for National Scout Jamboree at Washington out of native white Birch.

ARROW ATHLETIC FIELD -- Now under development. Started by members of Order of the Arrow in 1937. When completed will include baseball field, running track, tennis and volleyball courts.

SIOUX CABIN -- Built by efforts of Tomahawk Scouters and American Legion.

ROTARY LODGE -- Made possible by generosity of citizens of Rhinelander through efforts of Rhinelander Rotary Club. A rustic 40x72 foot structure with spacious porch, containing mess hall with beautiful Field Stone fireplace, camp office, Trading Post, and camp kitchen with splendid facilities.

KIWANIS KRAFT LODGE -- Financed by Wausau Kiwanis Club and built by 1937 campers. Equipped with work tables and tools for camp handicrafts.

WATER SUPPLY -- Two fine wells give the camp an ample supply of good water.

FLAG POLE CIRCLE -- Flag pole of Norwegian pine cut and mounted by campers. A fine view of the lake is possible from this point.

WATERFRONT -- A 45 foot steel dock with swimming areas marked by floats is the center of the water activities of the camp. The swimmers area, checkboard, water safety equipment all meet National Camp requirements. A new diving board will greet old timers. The crystal clearness of the lake water, which never "blooms", make swimming a real pleasure.

CAMP FLEET -- Six canoes, ten rowboats and a sailboat make up the present camp fleet. More watercraft are badly needed.

CABINS -- All ten cabins will be under permanent roofs and adequately screened this year. Wisconsin Rapids and Marshfield financed the two newest cabins of the camp.

COUNCIL RING BOWL -- The Council ring is one of the beauty spots of the camp and is the center of many outstanding camp fire programs during the summer.

OTHER POINTS OF INTEREST -- Beaver Dam, Hodags Lair, Deer Lake and Hiking trails.

It is hoped that work on the new Pioneer unit for older Scouts may be started this year. This unit will relieve crowding in the present cabins and will afford an opportunity to administer a special program to the older campers.

SITE -- 400 acres of beautiful woodland, 3300 feet of lake frontage. Well drained with fine supply of pure water.
A Day at Camp

Get Up -- Not too early.
Clean Up -- Optional Dip or Washup period.
Flag Up -- Morning Color Ceremony.
Eat Up -- Breakfast in the Lodge.

How to Get to Camp

Good surface roads lead from every part of the Council to Rhinelander. Take Highway 17 north out of Rhinelander -- on way out you will pass Thunder Lake Lumber Company, Country Club Golf Course, Boom Lake and Lake Creek -- 2 miles from downtown of Rhinelander you will note Rustic Camp sign on left side of road -- follow camp signs for five miles right into camp. The road winds among lakes and woods and is interesting and beautiful. After entering Camp Road drive up to unloading platform, unload baggage and passengers and drive car into the new Camp Parking space.

WAUSAU -- RHINELANDER
Camp Organization

Going camping with your troop is the ideal climax of a year’s Scouting activities. We want troops to get together, pick a period for camp attendance and then come into camp with their own Scoutleaders if at all possible. Troops will be quartered together in Patrol groups.

If less than the troop comes they will be quartered together either under their own leaders or will have provisional leaders assigned to them. All activities in the camp are operated on the patrol basis. Each patrol functions with their own Patrol leader, assistant and scribe. Counselors are appointed as advisors to each troop and patrol group. Individual campers or small groups are assigned to congenial groups.

The Camp Director will have a personal conference with the leaders of each group and each camper to help him to get the most out of his camp stay.

Various trophies, including the famous ‘Brown Jug’ are awarded each day to the patrols rating highest in cabin, table and personal inspections. This helps maintain the health and sanitation of the camp.

Scouters

Daily meetings are held with all Scouters in camp to assist in planning the program of the camp. The patrol leaders of the cabins join with the Junior Camp Staff in a daily Council to discuss projects and problems.

For each patrol of boys who come to camp from a troop one Scouter of that troop can attend camp without cost.

Each week a special course in Scoutleadership and troop camping will be offered for Scouters coming to camp.

Senior Scouting: If enough properly qualified scouts of over 15 years of age can be selected each period a special Senior Camp will be operated with special staff leadership and program. This program will include Sea Scouting, advanced camping and pioneering, water craft, etc.

Canoe Trips: Each week special canoe trips will again be operated for Scouts who can qualify properly by age, experience and rank. A small additional charge will be made for these trips to cover transportation.

Athletics: Each week inter-cabin tournaments will be held in various sports. Team and individual awards will be made.
Camp Honors

Attendance emblems will be available to all campers at Tesomas this summer. Each week a group of outstanding Campers will be selected on a basis of conduct and attainment to receive the coveted Camp Tesomas Honor Shield. A Court of Recognition will be held each week to recognize advancements in rank. Upon arrangement by troop leaders the actual awards can be made at camp. Otherwise certificates will be given which can be presented at local Courts of Honor for the actual awards. Each Scout will be given a record of his advancements at camp to present to his Scout leader.

Order of the Arrow

Camp Tesomas boasts a chapter of the Order of the Arrow, a national brotherhood of Scouts outstanding in camping activities. Membership in the order is based on camping ability and the Scout's record of service to his fellow troop and camp mates. The Chapter was installed at Tesomas on July 23rd, 1936 and has a fine roster of outstanding Scouts on its rolls. Present officers of the organization, all of whom will be on the Junior Staff this year are: Bob Tank of Merrill, Chief; Arthur Schaefer, Merrill, Scribe; and Helmuth Stobbe, Wausau, Treasurer.

Each week a 'calling out' is put on with Indian ceremonials, dances, and costumes to announce those Scouts who have been selected for membership. This is one of the outstanding events of each week's activities.

ARROW SLOGAN -- He who serves others, serves best.

Members of the Arrow Council elected this winter are as follows:

Robert Tank, Arthur Schaefer, Merrill. 
Helmuth Stobbe, Roger Corbeille, Wausau. 
Bill Flounl, Tomahawk. 
Bill Boelter, Rhinelander. 
John Avery, Antigo. 
Dick Fountain, Medford. 
Amos Martin, Rib Lake. 
Tom Utregerla, Wisconsin Rapids. 
Jack McDonald, Marshfield. 

John Redmond, Mosinee. 
David Wissley, La Grange, Illinois. 
John Coolidge, Park Falls.

SCOUTERS

John L'Abbe, Tomahawk; John Anderson, Pt. Edwards; W. A. Marks, Wausau; L. S. Cheney, Baron; Grand Councilor; William E. Hoffmann, Chief of the Fire.

Cub Camp For Boys of 9-10-11 Years of Age
June 19th-26th

By action of the Executive Board of the Samoset Council we are again operating a Camp for Cubs—our boys of the 9-10-11 year age group. This one week camping period will have approximately the same leadership as the Scout Camp with the addition of several Cub Leaders. The program will be scaled according to the age and needs of this particular age group. Hours of sleep, diet, activities, etc., will be adjusted so as to give the most beneficial experience to the Campers.

Waterfront work in teaching swimming and rowing will be offered. Cub handicrafts will be stressed and the elements of Nature Lore will be taught. Games and organized activities suited to Cubs will be offered each day.

Mrs. Hoffmann, wife of the Camp Director, will act as the official Camp Mother to the group.

As the enrollment will be limited early registration will insure acceptance of applications. Cubs may attend Camp Tesomas for this period only. Rates will be $6.00 for the early birds who pay fees in full by June 1st—$6.50 being the regular rate.

Camp Philosophy
To give a boy a balanced set of experiences which will help him to learn to do things for himself, to develop character traits that help him to live happily with himself and others, and to bring about a spirit of service and loyalty to his camp and troop mates and his leaders.

State Eagle Scout Forestry Camp

Four outstanding Eagle Scouts will be appointed this year to attend the Forestry Camp for Eagle Scouts which is located near Star Lake. Scouts of outstanding service records will be selected from applicants recommended by local Scout leaders.

The Forestry camp is made up of Eagle Scouts from all parts of the state. The periods are for two weeks and are given without cost to the Scouts representing this Council. Transportation must be furnished by the scout himself.

The program of the Forestry Camp consists of mornings of practical forestry work under leadership of experts. Afternoons are free for optional activities. Inasmuch as the camp is located in a game preserve excellent opportunities to observe wild game are frequent.

Scouts who are interested should have their Scoutmaster write or ask for information.

We carry a Line of Scout Uniforms and will appreciate your business on these items. Items not carried in stock will be gladly ordered.

We believe in Scouting and shall at all times cooperate with you.

Troop and Short Term Camp Sites

In order to promote troop and short term camping throughout the year the Council and various districts and communities are making available a number of camping sites. Permission to use these must be gotten from troops and Scouts either through the Council office or local committees in charge.

Camp Samoset—Lincoln County, Town of Harrison.

Available to all troops in the Council. The largest of the Council Camp sites Camp Samoset offers wonderful opportunities for wilderness camping and hiking. Apply at Council office for permit.

Camp Kenneu—Near Mosinee.

This fine site made available by J. C. Justesen to the Mosinee Scouts can be used by Council troops upon application to Mr. J. C. Justesen, Mosinee.

Plover River Site—15 miles east of Wausau.

This interesting site on the famed Plover river is available to Council troops for short term camping. Apply at Council office for permit.

Merrill Island Site—about 4 miles north of Merrill.

A beautiful 40 acre island in the Wisconsin River is now ready to be used for short term camps upon application to Mr. Donald Taylor at Merrill.

Trappe Rapids Cabin—10 miles north of Wausau.

A log cabin camp available for overnight camps to all troops. Apply at Council office.
