STEM Scouts Trash Bag Fundraiser

Many of our STEM Lab managers and families have been asking about fundraising options for STEM Scouts. We're happy to provide a new council-sponsored fundraiser primarily for youth participating in our new STEM Scouts program. Everyone buys trash bags and Waste Zero trash bags help keep America "Clean & Green".

Youth in your lab can earn money to pay for annual registration fees, STEM purchases in the Scout Shop, STEM day camps and STEM Lab field trips.

This fundraiser will also help provide leader training, lab equipment & resources, VORTEX programming and overall program support to STEM labs across North Central Wisconsin.
