## NEW CUB SCOUT OUTDOOR ADVENTURE PROGRAM!

Camping has always been a core part of Scouting, especially in Samoset Council. The outdoor classroom is both an enjoyable experience and a learning one. In an effort to encourage more Cub Scout outdoor adventures, Samoset Council is excited to announce a new puzzle patch program for 2012.

### Patch Segment Requirements:

- ♦ **Polar Cubs** - each youth who attends a 2012 Polar Cub winter camp session will receive this segment.
- ♦ **Akela's World** - each youth who attends a 2012 Akela's World summer resident camp session will receive this segment.
- ♦ **Service to Others** - each youth who participates in a pack service project, besides Scouting for food can earn this segment. A unit must log the service project online before requesting these segments from the council office.
- ♦ **Fall Fling** - each youth who participates in a fall pack outdoor event or a Samoset fall event can earn this segment.
- ♦ **Center Star** - to complete the patch, purchase the final segment at the Scout Shop or any council camping event!
