

# CRYSTAL LAKE SCOUT RESERVATION

# NEW IN 2012

## Where Camping is King

Camping is the heart of the Scouting program and through outdoor experiences, Scouts build character, learn important new skills, practice leadership, and build the character values of the Scout Oath and Law. Samoset Council operates three summer camp programs that each offer something unique for you and your unit. See what's new for 2012.

### NEW MERIT BADGES

Tesomas offers 50+ merit badges! Some of the badges are difficult to earn anywhere but at camp. Others you wouldn't expect to find at camp. And some are just plain fun.

- Chess
- Communications
- Insect Study
- Plant Science
- Robotics
- Whitewater

### EXPANDED MICRO-TREK PROGRAM

Our popular micro-trek program will be enhanced to include half-day adventures allowing Scouts to participate in both the merit badge program and this extreme Scouting program.

#### Activities will include:

- High & Low COPE
- Whitewater Rafting
- Mountain Biking
- Canoeing
- Disc golf
- Sailing

### MORE WEEKENDS

One additional weekend session has been added to the Akela's World schedule. This session (period 0) takes place from June 15 - 17th. Space remains in other sessions as well, signup today!

### FAMILY CAMP JULY 1-7

Families of Scouts who are staying at Tesomas Scout Camp during period 3 can also enjoy the Scouting experience by participating in a special family camp program.

### BADGE OF ADVENTURE

A puzzle patch program has been designed to encourage more Cub Scouts to participate in outdoor adventures. Visit our website to learn more.

Once at camp, your family makes the choice to have each day be as active or relaxed as you desire. However, we encourage you to take full advantage of the program offered by our experienced and dedicated staff.
