Any questions please contact Dawn Kerske at [dkerske290@gmail.com](mailto:dkerske290@gmail.com) or 715-340-1196

- This event is a fun morning for Cub Scouts to earn a couple of adventure loops.
- 
- The building opens at 7am to set up if needed.
- Registration is 8:00 to 8:30.
- The first session is 1 hour and 15 minutes.
- We get a 30 minute break
- and then have another 1 hour and 15 minute session.
- We are all done by 11:30 and must be out of the building by noon.
- 
- We are looking for some parents/leaders to lead the different adventures.
- Most adventures have been done in the past and we have some resources available.
- Just ask if you are interested in leading an adventure.
- 
- 
- You would lead the same adventure for each session.
- Lion, Tiger, Wolf, and Bear Adventures have 1 hour 15 minutes to complete the adventure
- Webelo Adventures have 3 hours to complete the adventure.
- 
- The Lion adventures will have parents present.
- ,So I'm just looking for someone to lead the scouts and parents to do the adventure.
- Most parents stay for the event or do have a leader to help during the event.
- 
- We could use older Boy Scouts to help with any of the adventures.
- We just need an adult at each adventure.
- I could use help to serve snacks and drinks and some older Scouts to play some games with the kids after they finish their snack. Kids get restless quickly.
- 
- 
- Please consider helping with an adventure. This event can't happen without volunteers to run the adventures.
- 
- A patch will be provided and the adventure loops will need to be purchased by the Packs.
- The boys will have a sheet that will be marked with what adventure or adventures they completed the day of the event.
- 
- Please contact Dawn Kerske if you are interested in helping with the Cub-A-Rama 2020. She can be contacted at [dkerske290@gmail.com](mailto:dkerske290@gmail.com) or 715-340-1196.
